

Hello,

Welcome to the Cornish Accredited Restaurants scheme.

The 2009-10 List is already in circulation, but we are always interested in new members joining, and if you've missed the printing deadline you can still have a web presence this year.

If you're interested in joining, you will need to apply to be inspected before the end of March 2010 in order to gain entry into next year's printed edition.

Everyone has to apply to join the Association

Everyone has to be anonymously inspected by one of our teams using the **inspection authority form** which is on the downloadable [join us](#) page. We will be able to include you in our web site as soon as we have conducted a satisfactory inspection.

Everyone benefits from any/all other promotional activity we conduct across the rest of the year such as the Dine in Style Promotions.

Full membership cost is staggered according to establishment size and type and ranges between £350.00 and £450.00 per year, renewable in February each year.

We also offer the opportunity for new members who have missed the print deadline to be listed on this website and to participate in all other related promotional activity at a reduced rate, with a view to then becoming full members the following year.

All the information on the web site is self content managed [via individual login] and forms the basis of the printed List.

The reduced cost for this participation is **£100.00**.

Full membership next year will be at the normal annual rate.

There is one further set of information we will need from you in order to proceed.

Print off & send the **Inspection Authority to the Secretary together with £100 cheque** for interim membership- your full membership subscription will be calculated at renewal date.
